FBally | Function First Solutions™, LLC

BUILT BY A BCBA / SPECIAL ED TEACHER & LCSW
100% RULE-BASED • ZERO AI

From Classroom Observations to Complete FBAs & Draft BIPs
In a Fraction of the Time.

Empower School Psychologists and evaluation teams to produce thorough, defensible Functional Behavior Assessments, function-aligned draft Behavior Intervention Plans, and ongoing progress reports in-house. Turn **15+ hours of traditional assessment and report writing** into a streamlined, step-by-step workflow.

100% Rule-Based Logic
Zero ChatGPT • Zero AI Risk

Bilingual Forms Included
English & Spanish Password-Protected Links

Word, Google Docs & PDF
100% Native Formatting & Export Parity

1 Guided Structured FBA Engine

- **10-Step Structured Workflow:** Guides evaluators from Record Review and Background History through Direct ABC Observations and Hypothesis generation.
- **Password-Protected Questionnaires (English & Spanish):** Send secure, no-login links to teachers and parents on any phone or computer. Spanish responses automatically compile into your English report.
- **Direct ABC Observation & Function Graphing:** Log frequency and duration (Mins + Secs) to automatically generate Target Behavior, Antecedent & Consequence, and Behavior Function charts.
- **100% Rule-Based Narrative Engine:** Uses zero AI (no ChatGPT). Every sentence is built directly from your evaluation data, with zero hallucinations and zero invented facts.

2 One-Click Draft BIP & Classroom Tools

- **Function-Aligned Draft BIPs:** Generate a comprehensive draft BIP for your IEP team to review, customize, and finalize, complete with proactive strategies, Replacement Behaviors (FERBs), reinforcement schedules, and de-escalation steps.
- **1-Page BIP-at-a-Glance:** Produce a clean, classroom-ready staff and substitute summary sheet with an optional **Initials-Only** privacy mode.
- **Automated Baseline & SMART Goals:** Converts direct observation rates and durations into measurable, function-matched SMART goals.
- **Ready-to-Print Classroom Supports:** 1-click generation of custom Visual First/Then & Token Boards, Direct ABC Data Sheets, and BIP Interval Data Sheets.

3 Ongoing BIP Progress Monitoring

- **Unlimited Free Data Collectors:** Add paraprofessionals, 1:1 classroom aides, and RBTs at zero extra cost to log daily behavior tallies or live ABC observations from phones, iPads, or Chromebooks.
- **Dedicated Behavior & Goal Tracking:** Track target behaviors (Frequency, Duration, or Interval), log SMART goal and replacement skill trials, and mark Intervention Phase Changes on graphs without altering your original FBA baseline.
- **Progress Reports & Behavior Heatmaps:** Export behavior trend graphs and SMART goal mastery summaries to Word, and view Behavior Heatmaps on your dashboard to spot schedule patterns.

4 District Compatibility & Security

- **Word (.docx), Google Docs & PDF Parity:** Review pagination in Live Preview, open exported Word files natively in Google Drive with all tables and charts intact, or copy narratives into Frontline, SEIS, PowerSchool, or IEP Direct.
- **Team Collaboration & Admin Controls:** Share reports across evaluators, reassign student caseloads with one click, and lock finalized evaluations for audit compliance.
- **FERPA, HIPAA, Ed Law 2-d & Section 508 Ready:** AES-256 & TLS 1.3 encryption on Google Cloud, signed BAAs, 6-year audit logs, NY Ed Law 2-d / CT PA 16-189 readiness, and VPAT® 2.4 conformance. Accepts school Purchase Orders (POs).

WHY SCHOOL PSYCHOLOGISTS & SPECIAL EDUCATION DIRECTORS CHOOSE FBALLY™

Save 10+ Hours Per Report
Stop wrestling with spreadsheet graphs, chasing paper forms, and formatting tables from scratch.

Keep Evaluations In-House
Equip salaried district evaluators to handle complex behavioral referrals confidently, saving thousands in external agency fees.

Free Account & Trial Report
Create a free account at fbally.com and unlock your first complete FBA & draft BIP report at no cost.
